ROSÉ

PINOT NERO PROVINCIA DI PAVIA IGT

This wine is born from a careful selection of Pinot Nero grapes. This young and exuberant wine gets its characteristic soft pink color from a rapid maceration of the skins (about 10-12 hours), followed by a soft pressing; The must is then clarified and placed in tanks of stainless steel at controlled temperature. With the addition of selected yeasts begins the slow fermentation at the end of which the wine is microfiltered and bottled.
